ABOUT US

ROOTED IN KERALA. TRUSTED WORLDWIDE.

AJVAC is a premium export brand owned by Bino & Rani Enterprise Private Limited, headquartered in Kerala, India. Established with a commitment to delivering authentic agricultural and food products to international markets, AJVAC specializes in sourcing, processing, and exporting high-quality spices, agricultural commodities, frozen foods, seafood, cereals, and value-added food products.

Located in the spice-rich region of Kerala, our operations are built on a strong foundation of estate cultivation, trusted farmer networks, and modern processing facilities. By maintaining control from cultivation to export, we ensure superior quality, traceability, consistency, and reliability across every shipment.

Today, AJVAC serves importers, distributors, wholesalers, food manufacturers, and retail brands seeking dependable sourcing solutions from India.

WHY CHOOSE US

FROM KERALA'S FERTILE HIGHLANDS TO GLOBAL MARKETS

At AJVAC, we offer more than just products; we offer reliability, authenticity, and long-term value.

Our products are sourced from our own estate and trusted farming communities giving us complete control over quality from the source itself, giving us complete control over quality from the source itself. This direct-from-origin approach ensures purity, traceability, and consistent standards across every shipment.

Rooted in the rich agricultural heritage of Kerala, we bring authentic regional excellence to international markets. Our deep understanding of sourcing, processing, and export logistics allows us to provide competitive pricing without compromising on quality. Every product undergoes careful selection, hygienic processing, and export-grade packaging to meet global requirements.

The AJVAC Advantage
